PX PETROL INJECTOR CLEANER

Product Description

PX Petrol Injector Cleaner is a multi-functional petrol fuel additive that will provide overall fuel system cleanliness for prolonged operating life.

Applications/ Benefits

PX Petrol Injector Cleaner offers overall fuel system cleanliness, quickly removes accumulated fuel and combustion deposits which will help to restore power and fuel economy and will not adversely affect fuel system components or exhaust catalytic converters.

- Improves lubricity for prolonged pump, fuel filter and injector life.
- Offers corrosion protection for fuel system components, deposit control.
- Has water shedding properties to prevent emulsion at the fuel-water interface.
- Should be used in every refuel until the system is cleaned, then every 3 or 4 refuels for general maintenance.
- Recommended for use at 500ml in 140L petrol.

Typical Characteristics

Test Description	Result
Appearance	Light Blue Liquid
Flash Point (°C)	220 °C
Gravity	0.82 typical
Pour Point	6 °C
