TOTAL SERVICE SERIES

PX SLIDEWAY OIL 68

Product Description

PX Slideway Oil 68 is a tacky extreme pressure and anti-wear lubricant with excellent cling characteristics that resists throw off, water wash off and corrosion under high and low speeds.

Applications/ Benefits

PX Slideway Oil 68 is recommended for lubrication of machine tools, lathes, planers and the guides and slides of similar machinery where a tacky, extreme pressure oil is required.

- Adheres to surfaces under high loads
- Resists throw off and wash out from water soluble cutting fluids
- Protects from abrasive wear
- Will assist in increasing equipment life

Typical Characteristics

Test Description	Result
Specific Gravity @ 15 0 C	0.886
Flash Point, Deg. C	230
Pour Point, Deg. C	-6
@ 40C (cSt)	68
@ 100 0 C (cSt)	8.8
Viscosity Index	108 Typical
