

Technical Data

PX TOTAL SERVICE SERIES

VACUUM PUMP OIL ISO-68

Product Description

PX Vacuum Pump oil is a premium Vacuum Pump lubricant formulated from selected highly stable base stocks. The result is a finished product which is minimum deposit forming, has long life, protects pump components from wear and also separates readily from water.

Applications/ Benefits

- Is suitable for all milking machine vacuum pumps.
- Results in longer valve cleaning intervals as a result of high resistance to deposit formation and outstanding oxidation stability.
- Low wear as a result of excellent rust protection and high film strength.
- Separates readily from water.

Typical Characteristics

Test Description	Result
Specific Gravity @ 15 Deg. C	0.876
Flash Point, Deg. C	210
Pour Point, Deg. C	-28
@ 40C (cSt)	68
@ 100 0 C (cSt)	8.9
