PX WASH & SHINE WITH WAX

Product Description

PX Wash & Shine is formulated with high quality detergent additives to effectively removes dirt, grime, road film, brake dust, and grease from driving. The wax in the product leaves behind a light coat of protection which helps to repel future dust, dirt, and water, making the vehicle stays cleaner and shine longer.

PX Wash & Shine is suitable for manual and automatic washing.

Applications/ Benefits

- Recommended for car and truck wash
- Effective removal of traffic film and road dirt.
- Will not discolour paint or affect chrome or rubber extrusions
- Works effectively in soft or hard water
- Provides high shine and gloss finish
- Synthetic wax formula adds extra protection with every wash
- pH-balanced formula does not strip wax or sealant coatings
- Non-Hazardous, Toxic nor Corrosive
- Biodegradable and contain no harsh solvents or chemicals

Recommended dilution rates

- For manual washing- Mix 1 part with 2-50 0 parts water. Apply to vehicle and rinse thoroughly
- For pressure/automatic system: Refer to manufacturer instructions for the recommended ratios.
